Summer Office Hours
Monday - Friday
9 a.m. - 3 p.m.

The Redmond Campus office will be open all summer. The Valley Campus will close on Friday, June 20 and will re-open on Monday, August 25. The school will be closed on July 4.

Summer Library Hours
Tuesdays, July 8, 15, 22, 29, and August 5, 12, 19
9 a.m. - 1 p.m. and 4 p.m. - 8 p.m.

This summer students from both campuses will be able to take AR tests and check out books from the C.E. “Ted” Kindel and Ida Lairson libraries at the Redmond Campus. The Valley Campus library will be closed.

The C.E. “Ted” Kindel Library will be open for Middle School and Upper School students only Tuesday evening, August 26, 4 p.m. - 8 p.m.

Library Web Site
Need to see what’s on the summer reading list? Want to find out if that book you’re reading is an AR book? Find this information and more on the Bear Creek libraries Web site at library.tbcs.org.

Library Books are Now Overdue
All library books were due last Friday. Please return all library books immediately.

Used Uniform Sale
Tuesday, June 17
9 a.m. – 3 p.m.

Prepare your clothes to sell, and come buy uniforms for next year! We are still in need of much help in setting up the day before (starting at 11 a.m.) and the day of the sale (8:30 a.m. - 6 p.m.)

Time counts as volunteer time for next year. Please contact Kellie Anderson at 206-334-6990 if you are able to help.

More sales label sheets are available at the front desk of both campuses. The event flyer, suggested price list and blank sales labels are available on the Used Uniform Sale page on the school Web site and the calendar event.

Sign-up Online for the First Annual “Grizzly Open” Golf Tournament
Monday, July 21
Bear Creek Country Club

Registration is filling up; reserve your foursome today! On vacation? How about sponsoring a hole? All net proceeds will support Bear Creek Athletics. See the link on the www.tbcs.org home page for details.

Star of the Year
Senior Kimi Pohlman was named Seattle Times’ “Star of the Year - Eastside” last week. Congratulations Kimi on your very successful year in soccer, basketball and softball.

Eagle Scout Achievements
Congratulations Will McHaff and Ryley Watson for completing the requirements of the Boy Scouts of America’s highest rank, Eagle Scout.

“Doodle 4 Google” Winners
Mia Niikkonen and Kristana Foltz (both grade 4) were selected as state winners for a national contest sponsored by Google. The object of the contest was to design a logo for Google with the theme “What If...” Mia and Kristina’s entry was among 16,000 entries from across the United States. There were a total of 400 state winners nationwide. Their winning entry and others will be displayed in the Redmond Campus main hallway.

Lower School Student CTY Success
Congratulations to the following Lower School students who were recognized at a state awards ceremony where they received a special State Award with High Honors for their outstanding performance in the John Hopkins University Center For Talented Youth (CTY) Talent Search:

- Justin Buckley (Math), Ryan Caraway (Reading), Justina Goldbeck (Reading), Whitney Hom (Math), Ethan Kusters (Reading and Math), Benjamin Lee (Math), Naomi Lee (Math), Hayden McCraw (Math), Chandler Woodruff (Math), Kevin Zhou (Math)

Coach of the Year
Congratulations to Grizzly Head Basketball Coach Scott Moe for being named the Redmond Reporter’s Coach of the Year.

Senior Profiles

Registration Packet 2008-2009
Due Friday, June 13

All families have been sent an email and letter regarding the new Registration Packet. These forms are required to finalize your student’s enrollment for the 2008-2009 school year. Please complete all necessary electronic and PDF forms by this Friday, June 13. Please submit your PDF forms at the Redmond Campus front desk.

A Back-to-School Packet with additional forms and information will be sent in early July.
Auction Update: Looking Ahead to 2009 and Back at 2008
Included in this issue you will find information about Auction 2009, Masquerade in Venice. Summer is a wonderful time to procure as you go on outings or vacation or just about your usual activities. Please take time to read over the Wish List and How-To sheet and take your Auction Procurement Forms along wherever you go. Dedicated procurers carry them in their car so they are always ready to ask for a donation when the opportunity arises. Our goal is to have every family generate one item with a value of $150. Call the Auction Office if you need any help.

It is very exciting to report, thanks to additional donations and matching funds, that our net total from the March 15, 2008 auction has increased to just over $284,000. We expect all the technology purchases from the Fund-A-Need, that was so generously supported, to be installed in the computer labs by the opening of the school in September.

Calling All PTF Reimbursements
Please turn in your forms requesting PTF reimbursement immediately.

Aide Positions Available
Bear Creek is currently hiring Lower School, Middle School, and Upper School aides for the upcoming 2008-2009 school year. Qualified candidates should work effectively with teachers and students, have a pleasant attitude, and be detail oriented. Job perks include working in a supportive, fun environment while your kids are in school! Positions range from 15 to 20 hours per week. For more information, please contact Carol Harrang at charrang@tbcs.org or 425-898-1720.

Host Family Opportunities for Bear Creek Families
If you would like to host an international student next year, please contact Katie Humphries, International Student Services Coordinator (425-898-1720 ext. 316 or khumphries@tbcs.org), and she will refer you to local homestay agencies. These agencies provide extensive training programs, resource materials, and 24-hour on-call assistance if needed. Bear Creek desires to facilitate a meaningful homestay experience for the host family and the international student.

Morning Bus Route
The shuttle service between campuses will continue next year but we are considering offering two separate residential routes. The first, repeating the Kirkland service we have provided this year and the second, repeating the service on the Sammamish Plateau which we’ve run in prior years. We need to have at least 15 confirmed riders on each route and would prefer 20 per bus. Costs will be split equally between the numbers of riders. (15 riders @ $500 or 20 @$400) We must have commitments for both Kirkland and the Plateau by July 15 to make arrangements for drivers.

If you are interested in bus service, please email Kelly Saulsbury at ksaulsbury@tbcs.org prior to July 15, so we can establish drivers and confirm costs before we finalize the services on August 1.

Summer Job Board
Are you looking for a baby sitter? Do you need help with yard work? Do you need a house sitter or pet care? If you have a job to offer, then please email the request to Kailee Blankenship (kblankenship@tbcs.org) and she will post it on the Summer Job Board in the Upper School lounge. Please include your name, a phone number and your email address, along with a description of the job. Please encourage your students to check out the job board if they are looking for work for the summer and would like to help someone in the Bear Creek community.

Register Now for Grizzly Summer Camps
Robotics for grades 7 -10, Spanish “immersion” fun for grades 1 -4, and science adventures for the whole family! Information on these camps as well as our soccer, volleyball and basketball camps, workshops, and tutoring is available on our school Web site and in the main office at both campuses.

Before School Orchestra Classes
This fall Bear Creek will offer before-school orchestra programs at the Redmond Campus. String Ensemble for intermediate and advanced players will meet Wednesdays and Thursdays from 7 a.m. - 8 a.m. The String Ensemble class is open to students currently taking private lessons, in grades 4 and above. Beginning Strings class will meet Mondays and Tuesdays from 7 a.m. - 8 a.m. The Beginner’s class is open to grade 2 and above. Each group will play 3 concerts per school year. An orchestra registration form will be included in the Back-to-School packet this summer. Please contact the orchestra director, Dr. Leslie Johnson (leslie@lavastrings.com), for additional information concerning fees and all other questions.

Viola and Piano Benefit Concert for World Vision
Tuesday, June 10, 7 p.m.

Dr. Leslie Johnson will be performing with Courtney Vuletich (former 3rd grade teacher) in the Cornerstone Theatre. All proceeds from this benefit concert will go to World Vision.
Return Textbooks
All textbooks are to be returned to your teachers this week during your finals. If a textbook is damaged or not returned, you will incur a replacement cost. Textbooks should be returned directly to your teachers.

Return Athletic Uniforms
It is important that every uniform from each season is returned. Families who do not return an athletic uniform will be billed at the end of the month. You may drop all uniforms off at the front desk or in the athletic office.

Class BBQ Hosts Needed
The PTF is planning Middle School and Upper School Class BBQs for Saturday, September 27. We are still looking for host homes for the following classes:
- 7th grade boys
- 8th grade girls
- 8th grade boys
If you’d like to open your home for this fun event please contact Clare Mehta (ncmehta7@verizon.net) or Patti Domas (domas@cablespeed.com).

MS Finals
June 9 - 11: Grade 8 WA state history trip to Neah Bay
June 4 - 9: Grade 7 review week
June 10 - 11: Grade 7 finals

Students should bring the following items to each final: pens/pencils/eraser, a book to read (required) and a water bottle (optional).

Middle School End-of-Year Bash
Thursday, June 12
This year-end event starts with a BBQ at 10:50 a.m. followed by fun games and competitions on campus. The games will run from 11:20 a.m. - 3:05 p.m. If you would like to join in on the fun and help out, contact Carol Miller at cmiller@tbcs.org.

MS Honors Assembly
Friday, June 13
8:15 a.m. - 9:15 a.m.
We will be celebrating the achievements of the MS students in an end-of-year honors assembly on the last day of school. All MS students will be expected to attend; parents, guardians and grandparents are also welcome.

Junior Parents: Your Help is Needed
The families of the junior class are traditionally responsible for planning the graduation reception each year. Priscilla McLaughlin has offered to coordinate this event, but she urgently needs your help. Please contact Priscilla (plmclaughlin55@msn.com or 425-836-3002) if you are willing to help honor our graduating seniors.

US Honors Assembly
Friday, June 13
10:30 a.m. - 11:30 a.m.
Upper School students will attend shortened classes from 8:15 a.m. - 10:30 a.m. Parents are invited to join us at 10:30 a.m. to celebrate the achievements of our Upper School students. Dress uniforms are required for students. Students will be dismissed from school at the conclusion of the ceremony.

Upper School End-of-Year Party
Thursday, June 12
11:30 a.m. - 4 p.m.
Idylwood Park
Please join us for an afternoon of fun at Lake Sammamish. Current grade 9 - 11 students will ride the school bus to Idylwood Park immediately following the 11:30 a.m. dismissal. Seniors will carpool to the park after they are finished with graduation rehearsal. Parents must pick up their students at the conclusion of the event. Students must have a signed waiver to board any watercraft.

National Honor Society
The National Honor Society finished a very successful year with the induction of 29 new members at a ceremony held in the Cornerstone Theater on the evening of Wednesday, May 28. President Morgan Wierleski (senior) highlighted the projects that members of the NHS participated in this year including the fall canned food drive benefitting the Redmond Hopelink Food Bank, the Adopt-A-Road project, the blanket drive this winter, a monetary donation to Northwest Harvest, a donation to help buy hygiene supplies for a student going on a medical mission trip, and contributions received for baked goods sold the school production of Romeo and Juliet were given to the Bear Creek mission trip team. In addition, the group offered peer tutoring, with students making themselves available on an as needed basis or by committing one day per week to be in a tutoring lab in Mrs. Graham’s room after school. Many thanks to President Morgan Wierleski, Vice-President Stephanie Pedersen, Secretary Paige Connell, and Treasurer Courtney Kesinger.

Please congratulate the new inductees:

College Advising Advice for the Class of 2009

• Visit, visit, visit – take every opportunity to visit different types of campuses to find out what you do (and don’t) like;
• For summer visits, contact the Admissions Office to arrange a tour, a meal in the dining hall, (maybe) a visit to a summer class, or an appointment with a professor or coach; for visits when school is in traditional session, contact Admissions or contact someone you know at the school;
• As your “likely-to-apply” list begins to take shape, start a filing system to keep things organized, include school information, application requirements, deadlines, etc;
• Your “likely-to-apply” list should include at least one in-state school and at least one school whose academic requirements you comfortably fit (this is a nice way of saying your absolutely confident that you’re academically qualified!);
• As a frame of reference, remember that the Class of 2008 applied to an average of 5.4 schools per student – anything less than three applications is fairly limiting, anything above ten applications can get fairly cumbersome – depending on the student, applying to between six and eight schools is fairly reasonable;
• Begin thinking about two elements of your application: your activities/honors and your essay (check applications for sample essay questions);
• Plan for the fall SATs, SAT IIs (if necessary), and ACTs – consult your fall sports coaches or directors for possible conflicts;
• Do not get caught up in where others are looking or planning to apply – this is your decision;
• The College Advising office will be available throughout the summer for student and/or parent appointments; contact Blake DeYoung (bdeyoung@tbcs.org) to schedule.

What to Expect When You Return in the Fall

• Use your “Essential Guide” handbook to help you through the process – that’s what it’s there for!
• Expect to be asked where you’ve visited and to which schools you’re considering applying;
• Icebreaker will involve senior breakout sessions to discuss both senior leadership and College Advising;
• In late September (probably September 20 or 27), we will hold a college essay workshop for students in the morning and a parent meeting in the afternoon – both these meetings are highly recommended for their respective audiences;
• Have an organized system (file box, notebooks, whatever works for you) in place by October to keep track of your various applications and deadlines;
• Early Action or Early Decision deadlines begin appearing as early as October 1 and most have passed by December 1 at the latest; if you are highly drawn to one school in particular and want to apply under their Early program, be sure you know the deadlines;
• You will want to begin asking teachers if they are willing to write letters of recommendation by October – our teachers are wonderful and willing to help, but these letters can take a long time so ask early;
• Expect to have at least four completed applications submitted to schools by the turn of the calendar year.

Summer Princeton Review

Tuesdays, August 12-26, 9 a.m. - noon
Tuesdays, September 2-30, 6 p.m. - 9 p.m.

Bear Creek is once again pleased to announce that we have partnered with The Princeton Review for SAT preparation. Practice SAT tests, an essential part of the course, will be administered on the following Saturday mornings: August 9, September 6, and September 27. Cost is $450 and some financial aid is available. Courses will be taught by Brian McCormick, the same popular instructor who has taught several recent Princeton Review courses at Bear Creek.

Registration information and documents have been e-mailed to all Class of 2009 and 2010 families. The registration deadline – conducted through Princeton Review, not through Bear Creek College Advising – is July 31. If you did not receive the documents or do not have access to e-mail, contact Blake DeYoung (bdeyoung@tbcs.org) for hard-copies.
LS Yearbook Delay
We regret that the Lower School yearbook has been delayed. It will be mailed to your home this summer. Students have been provided an autograph page in order to capture messages and signatures from their peers and teachers. Their autographed page will come home with them on the last day of school.

Order School Supplies Online
Right now you can order next year’s school supplies online through Innisbrook.com. Imagine the convenience of ordering the entire list of class supplies with just a few clicks! See the how-to information on the member’s home page.

2008 Summer Reading Program
With the summer upon us, and more leisure time available for reading, we encourage you to provide the opportunity for your children to read on a consistent basis.

Summertime 1st – 6th grade Accelerated Reading Goals are designed to encourage reading. Participation is optional. All students who meet these goals will earn a free dress day in the fall.

Entering Grade AR Goals:
1             5 pts.
2-3           10 pts.
4-6           20 pts.

Students Entering Kindergarten
The Accelerated Reading Program will be introduced by the classroom teachers in September. Incoming Kindergartners will be given a library account and can check out books this summer, but must wait until September to take AR tests.

Whopping Cough Cases Increase

Whooping cough (Pertussis) is a contagious respiratory tract infection caused by the Pertussis bacterium. It is known as whooping cough because patients experience repetitive coughing spasms, which causes an inability to take a breath. When the spasm stops they tend to make a whooping noise as they try to catch their breath.

Pertussis is a vaccine preventable disease. After the introduction of the vaccine in 1941 the number of reported cases in the US dropped dramatically to an all time low of 1,010 in 1976, but by 2005 the CDC was reporting more than 25,000 cases per year, with 1047 of those in WA State. Cases are being seen in babies and children who have not had their course of vaccinations completed, people who have never been vaccinated or in adolescents and adults whose immunity has waned.

Pertussis lives in the saliva in the mouth and throat, and in the mucous in the nose of an infected person. It is spread by droplets in the air when people who have Pertussis cough and sneeze. The infection normally manifests itself in the same way as a cold with sneezing, runny nose, slight fever with a non productive cough. However, the cough becomes progressively worse over a two week period and can last for up to two months. The coughing spasms are often followed by vomiting and periods of exhaustion. Complications of the infection can be serious and include Hypoxia (oxygen deficiency in the body), pneumonia, seizures, encephalopathy (disease of the brain) and even death in young children.

Whooping cough is treated at home with antibiotics, but hospitalization is often required for infants. Pertussis is a preventable infection through vaccinations. A series of 5 shots (DTaP) are given to children starting at two months with the 5th shot before starting school. Protection against Pertussis from vaccination usually wanes between 5-10 years of the last vaccination, so it is recommended that adolescents receive a booster before entering middle school, and adult receive a booster especially those who have regular contact with children under 12 months. For more information on Whooping cough and the available vaccinations take a look at http://www.cdc.gov/vaccines/vpd-vac/pertussis/in-short-both.htm.

Health Room Requests

Please submit your summer packet forms by Friday, June 13. All additional medical forms including daily and emergency medication administration forms need to be submitted before the first day of school.

Any prescribed medications for the 2007-2008 school year that were held in the health room need to be picked up on Friday, June 13. Any medications left after this date will be destroyed.

Log onto to www.tbcs.org and check out our health services section under members only. Please sign up for our Health Alerts, they will notify you of health issues that we are currently experience in the school and/or local community.

Did you Know...

...Pertussis was first discovered in 1906. It was found by 2 French bacteriologists Jules Bordet and Octave Gengou who identified the Pertussis bacterium which causes whooping cough.

Volunteers

Thank you to all the wonderful volunteers that God blessed us with this year. We could not have run the health rooms, or done many of the jobs that we do throughout the school year without your help. Thank you! If you would like to volunteer in the health room during the summer or the school year we have a variety of jobs that need filled from office work, band aid brigade, health screenings, teaching health classes and many more. Contact the health room for more information.

Ha! Ha! Ha!

Q. What do people with Pertussis like to drink?
A. Cough-ie
Our annual auction is the second largest fundraiser at The Bear Creek School. Last year’s revenue set a record - $284,000 net including over $65,000 to replace the aging computer labs and outdated furniture. The auction committee has plans for another festive, fun evening at the Westin on March 14 and look forward to a gourmet Italian dinner. We hope you will join us in the planning, procuring and celebrating.

Some Tips on How to Procure Your Auction Item

Each family is encouraged and expected to procure an item with a fair market value of $150. Procuring does not mean purchasing but rather generating. Unless you are so inclined, you need not purchase items to donate to the auction.

The Basics of Procuring

- Keep your Auction Procurement Forms ready. Always be sure to put your name in the Solicitor box so you get credit for procuring the item.
- When you patronize a business, especially one you use regularly, ask them to donate. Think broadly and consult the Wish List on the back of this sheet. Take a friend and go procuring – it’s fun.
- Be ready to tell them about The Bear Creek School – who we are and what we do.
- While items of all sorts are welcome, items and experiences that are unique or cannot be purchased readily on the open market are top sellers.
- Ask for more than you expect to get. For example, ask for dinner for six. If you get dinner for four, that’s great.
- Be sure you, as the solicitor, and the donor both fill out the procurement form completely. That saves lots of phone calls from the Auction Office to get the details.
- If you wish to send a request by mail, download and sign the letter available on the website.
- If you have a great contact and want a custom letter mailed or faxed to a business, just ask. Be sure to indicate your name and phone number, the name of the business, contact person at the business, their address, phone and fax, if you are asking for something specific, provide as many details as possible.

What if they say “No”?

- Sometimes they do; don’t take it personally.
- Sometimes they say all their donations are gone for the year – that would be 2008. Say you will come back after January 1, 2009. Do ask if they have any deadlines or make donation decisions only once or twice a year.

Questions? What to talk about ideas? Need moral support? Call Linda Sheppard at 425-898-1720 x 146 or email lsheppard@tbscs.org.

Used Uniform Sale
Lower, Middle, and Upper School Uniforms

Preparing to Sell

1. Clothes must be in very good condition (no rips, stains, broken zippers, etc.) We will not sell yellow or white shirts, the older (large print) sweatshirts, socks or accessories such as hairbows. Please see attached price list for items we will sell.

2. Wash the garments and include a wire hanger for each item which can hang (we will fold sweatshirts and shorts.)

3. Please consult the uniform code if you have any questions. We will follow the school’s printed uniform code exactly, and will have it available for you to read the day of the sale. Please do not expect volunteers to tell you what is code.

4. Fill out the attached price tags, cut apart, and pin the tags securely to each clothing item.

5. If you prefer to donate your uniform items, please print “Bear Creek” on the tag under “Family Name” and proceeds will go to the Used Uniform Scholarship Fund.

HOT TIP for the day of the sale

Bring lots of checks the day of the sale! You will write one to each family from which you buy an item. NO CASH, please, or we will not be able to mail your money to you.

Tuesday,
June 17, 2008
9 a.m. – 3 p.m.

Valley Campus
Multipurpose Room

Drop Off

Drop off your tagged clothes and hangers in a closed and labeled grocery bag.

Clothes will be accepted on Friday, June 13 (drop-off in the Valley Campus office during the school day) and Monday, June 16, 9 a.m. - noon (drop-off in the MPR).

Clothing will not be accepted on the day of the sale!

Payments and Unsold Clothing

Any unsold clothing and envelopes containing checks must be picked up in the Multipurpose Room between 3 p.m. - 4 p.m. on June 17 (immediately following the sale.) If you’d prefer we mail your check(s) to you, please bring a stamped, addressed envelope when you drop off your clothes.

PLEASE NOTE:
Clothing left after 4 p.m. on Tuesday will be donated to the school’s Used Uniform Scholarship Fund or charity.

Questions? Call Kellie Anderson at 425-861-8084
All Valley students will be bused to Perrigo Park at 11:20 a.m. and will return to the school at 2:20 p.m.

If you would like to take your child home directly from the park at 2:15 p.m., please arrange this in advance with your child’s teacher.

*Sack lunches and water bottles will be provided at the park.*

*Remember to wear running shoes and your Spirit T-shirt!*

**All parents are invited!** Come watch your children and cheer them on as they compete in exciting games while working as a team with their classmates. Each class will also get to create an original cheer and perform it for everyone. The students would love to have you join them at this last event of the year!

Questions? Feel free to contact Emily Knuth at valleyoffice@tibs.org or (425) 885-9401.
